

Build With Purpose

# P-114 Single Temperature Hydrant

Satin-Nickel Plated

Oil-Rubbed Bronze

- Residential
- Anti-Siphon/Backflow Preventer
- Single Temperature
- Ergonomic

The PRIER P-114 is the single temperature hydrant where style meets quality. The P-114 offers a distinguished design to match the décor of your home.

The PRIER P-114 provides a year round source of water in areas that are subject to freezing temperatures. The hydrant valve is connected to the supply piping in the heated portion of the structure, eliminating the possibility of freezing.

## FEATURES

- Anti-siphon vacuum breaker with EPDM backflow preventer
- Solid brass body, valve stem cap, seat and stem ends
- Satin nickel plated or oil-rubbed bronze body maintains attractive finish
- Per ASSE 1019, pressure rated to 125 PSI, temperature to 140° F
- Stainless steel mounting bracket with screws
- Each valve air-tested at factory for leak-free quality
- O-ring seals for easy operation
- Ergonomic, rubber grip handle
- Patent pending

## ORDERING

# P-114D04-ORB
